MR. DONALD DUSHANE

Mr. Donald DuShane, as Superintendent of the City Schools in Columbus for the past eleven years, has proved himself to be one of the foremost men of his day. He is admired and respected by all for his integrity, justice, and knowledge of educational principles. He has a keen insight of teacher and student problems and it is through his capable leadership that C. H. S. has attained and retained its ideal of "the best high school in the state."

MR. ROBERT LAMBERT

Mr. Robert Lambert, who came from Anderson three years ago to serve as principal here, has displayed most efficient leadership. His high ideals, his keen understanding of the problems that confront high school students, and his knowledge of character have earned for him the respect and admiration of all. Since his coming, Columbus High School has attained a higher scholastic and athletic standing. His intense interest and grave sense of justice have won admiration for him by all.

DEAN OF WOMEN

Mrs. Lucretia Condo, head of the Latin department, has served as Dean of Girls for many years, and has won a place in everyone's heart hy her kindness, interest, and courtesy. Her wise counsel and sincere desire for service are never lacking to those who go to her for help. She stands for truth in scholarship and does everything in her power to further its progress in the high school. When in after years we shall glance back to high school days with fond memorics, the name of Mrs. Condo, who by her ceaseless devotion has helped to make us what we are and hope to be, will be cherished by the students of C. H. S.

ALBERT GOSHORN President

SCHOOL BOARD

Among the business men of Columbus, those who are most vitally concerned about the welfare of the schools are the members of the school board. Their sole interest is to do anything which is for the betterment of Columbus High School.

In 1859 the citizens of Columbus built the Central High School and dedicated it to their children.

It is due to the members of the different boards who have since that time given willingly of their time and service, that Columbus High School has attained its high and excellent standing both in scholarship and athletics.

For the past year Mr. Goshorn has fulfilled the duties of president and was assisted by Mr. Reeves, secretary, and Mr. Dowell, treasurer, who equally shared the responsibilities which have fallen to the board.

JEANNE LEWELLEN Secretary

MABEL SASS

SENIORS

After four years of effort the Senior Class has at last ended the race. The class has been guided on its last two laps by the splendid leadership of Wilfred Bottorff, president; Henry Everroad, vice-president; Jeanne Lewellen, secretary; and Mabel Sass, treasurer.

Many members of this class are prominent in school activities. The C. H. S. Bull Dogs had as their captain for the last two years Ray Eddy, who is an all-state forward. James DuShane was champion backstroke swimmer of 1928-29. Chloral Coons and Marguerite Burns won first place in the state editorial contest. Wilfred Bottorff, an honor roll student during the four years, received a silver loving cup as an award for his work. Mary Burns ably represented the class on the girls' swimming team; Charles Butler was editor-in-chief of the Triangle during his Senior year; Jeanne Lewellen was editor of this year's annual. The greater part of the Honor Society, which was organized this year, was composed of the Senior class. Walter Miller was elected president of this society.

The class play was coached by Miss Carrie Ong and was presented on April 26. The setting of the play was in a New England village in the antique shop of Winsora Tweedles, Rosanna Smith, with whom Julian Castlebury, Maurice Mayes, falls in love. The parents of the two object to the match, but are finally persuaded to consent to the marriage of the lovers. Other parts in the play are as follows: Velma Jordan, Mrs. Albergone; James Hofer, Adam Tweedles; Mary H. Schnell, Mrs. Castlebury; Marshall Snyder, Mr. Castlebury; William Doup, Ambrose Tweedles; Louise Suhre, Mrs. Ricketts; and Russell Kelly, Philemon Tweedles.

May the Seniors' future be as successful as their past.

THE JUNIOR CLASS

Of the one hundred ninety-five students who formed the Freshman Class of the fall of 1926 there are one hundred forty-three who are now Eighty girls and sixty-three boys comprise the Junior Class of Juniors. 1929.

Although the class has had no officers until the present year, it has worked as a unit in the contests it has entered. One of the first, and perhaps the foremost, victory won by the class was the winning of the Red Cross Christmas Seal Sale Contest in 1926.

The scholastic average of the class is very high. The honor rolls since the fall of 1926 show that the class has always been well represented by many members. Members of the class participate in every branch of athletics in which the school engages. Especially are the Juniors successful in basketball and baseball.

The members of the class engage in nearly all the activities of the Also the various societies and organizations have a larger percentage of their members classified as Juniors. The ability of many Juniors has been recognized, for many of the highest offices of the school societies are filled by them.

Officers for this year are: Paul Fehring, president; William R. Allen, vice-president; Margaret Merritt, secretary; and Edna Suverkrup, treasurer.

With three years of experience and preparation behind them, the Juniors look forward with great anticipation to the day when they will be able to call themselves graduates of Columbus High School.

SOPHOMORES

THE SOPHOMORE CLASS

The students of Columbus High School met together to begin another school year on September the tenth. The Sophomore Class was well represented, as very few of those who had entered high school in the fall of 1927 were missing.

The Sophomores had begun to feel more settled and as if they really were important after all. Their main delight was the fact that they were no longer mere "Freshies" but sophisticated Sophomores. They did not go wandering about looking for rooms, but instead, sent the poor, little, ignorant Freshmen on "wild goose chases." The second year had become more interesting than the first year, because the Sophomores were eligible to belong to more organizations and to engage in more activities than in the first year of their high school career.

The Sophomores should be proud of those who have made football, basketball, and swimming teams. They also should be proud of the Sophomore girls who are "Kittens," and who are on the swimming team. Howard King and Ralph Huntington are two members of this class who made the football team this year. Although the team was not as successful as we had hoped it would be, it was not the fault of these two "Sophs." John

Everroad was the "backbone" for the Bull Pups this year. He was a Bull Pup last year, and he is a fast, dependable man. He can toss the baskets in from almost any position on the floor. The Sophomores have three other Bull Pups among them. They are Finley LaBar, Earl Brown and Ralph Huntington. LaBar is a steady, consistent player with a thorough knowledge of the game. Brown is the boy who drops in numerous field goals. Huntington is a strong, husky man who is a considerable addition to the team. Since the Bull Pups are the material from which the Bull Dogs are chosen, we should all be loyal in our support of them. Those of the Sophomore Class on the baseball team are: Ralph Huntington, John Everroad, and Finley LaBar.

Adelaide Baker and Cora Nelle Summa are the two girls among the Sophomores who have won places for themselves on the "Kittens" team. Adelaide, although short, is fast and an asset to the team. Cora Nelle is a steady jumping center who persists in getting the tipoff. Last year she was a valuable reserve.

The Sophomore Class engages in many activities besides athletics. In the Band, Orchestra, Chorus, Sorosis, Forum, Hi-Y, and P. H. C., members of the Sophomore Class may be found. The "Sophs" have distinguished themselves not only by athletics and organizations, but also by

scholarship. They have had, both last year and this, as large or larger a percentage on the honor roll than any other class. Sophomores should be proud of members of the class who have received medals, because this represents a great deal of time and study on their part.

Those who made the Honor Roll were: Charlotte Pfeifer, Margaret Richman, Mary Bottorff, Ruth Stull, Hubert Leslie, Helen Myers, Elsie Burbrink, Pauline Loesche, Rolland Price, Dorothy Lindley, Henrietta Doup, Annabelle Redmon, Elva Faye Waltermire, Edward Repp, Ben Niemoeller.

The Sophomore class has tried to stress: honor, straightforwardness, scholastic ability, and most important of all, school technique.

As the second year of high school draws to a close, the Sophomores, instead of wishing for the time when they will be lordly upper-classmen, enjoy their present independent spirit.

The Sophomore class wishes to present to the Seniors its congratulations, and to wish them much success and happiness, as they go forth into the world. The Sophomores will always remember the two years which they spent with the class of 1929 with the utmost pleasure.

FRESHMEN

THE FRESHMAN CLASS

On September 10, 1928, two hundred and thirty-seven timid but determined Freshmen made their way up the steps of Columbus High School to brave the jeers and taunts of the upper classmen and to make their initial attempt to become a part of this institution of learning. How important that part will be only time can tell.

As, "great oaks from little acorns grow," so will the places of honor and responsibility in this school he filled in later years from the ranks of these who are now making humble beginning.

At first, these inexperienced students made many mistakes, but with a few helpful words of guidance they soon righted these and hegan making progress.

The Freshman year is one of the most important times of a high school student's life, for it is at this time that he is laying the foundation for his career. It is the time when students should choose the subjects which will

be a benefit to them no matter what vocation they may select. It is at this time that students need the kindly help and friendly advice of teachers who have profited from experience with former students. The Freshman Class has been very fortunate in this way and if these students do not make a success it will be because they did not take advantage of their opportunities.

The Freshmen are now preparing to be able to take, in years to come, the places of the upper classmen who will soon graduate. They should be even better fitted to fill these places.

The class has taken the teasing good-naturedly but they are also glad to take the honor of having the most students in their class who have secured a cherished position on the Honor Roll. These students are: Walter Sass, Russell O'Neal, Edwin Arnholt, Mary Louise Lustig, Marybelle Myers. This class has also done its part in the way of athletics. Two girls, Helen Suverkrup and Adelaide Baker, qualified for the "Kittens" team. Roy Wise, Carroll Groves, and Theodore Fehring are the Freshman boys who have shown themselves to be outstanding in basketball. Roy Wise also ably represented the class on the high school football team.

The Freshmen, this year, have taken more interest in outside activities than heretofore, and many of the students have become members of the various organizations, such as Sorosis, Forum, Band, Hi-Y, and Chorus. They were very active especially in the Triangle drive and in subscribing for the Log. They are also loyal supporters of the basketball, baseball, and swimming teams and all other sports in which C. H. S. partakes.

LOG STAFF

To portray the real spirit, the ideals, and the keen sense of sportsmanship of Columbus High School has been the aim of the staff of the 1929 "Log." Although it is difficult to reveal through pictures and type the personality of a school, the staff hopes that it may have succeeded in showing something of what C. H. S. has stood for, and in preserving for the students the memories of the events and organizations and friendships that mean so much in later years.

The staff has hoped to show by modernistic theme and design the spirit of the new youth, the new optimism, the new forward-looking, progressive attitude, which will mold the business of tomorrow. If, in turning these pages, the students can call to mind the frolics, the sports, and the acquaintances of high school life, the staff will feel that its purpose has been accomplished.

Much credit is due to the Art Department of C. H. S. for its help in designing this book, to Mr. Oscar Smith, photographer for the "Log" who has given generously of his time and work, to the splendid co-operation of the Indianapolis Engraving Company, and to the interest and help of the Wm. Mitchell printing Company.

THE TRIANGLE

In nineteen-twenty-one the Triangle was organized, as a four-column four-page paper. Since that time it has varied in size from three columns to the present size of five-columns. The motto of the paper this year has been to adhere strictly to rules of good journalism, and to please the student body. Although it has been a difficult task to conform to both of these ideals at times, the staff may say, at any rate, that it has done its best.

Although the Triangle has not been increased in size this year, it has been bettered in many ways. A better balanced head was purchased, many new features were added, and a more commodious office was obtained in the Graham building. The possession of this office has made possible much more systematic and efficient work by the staff.

Four special editions were published, one for the Sectional tournament, one for the Regional, one for the State, and one on April Fool's Day. Three issues were entered in the contest which is conducted by the Indiana High School Press Association.

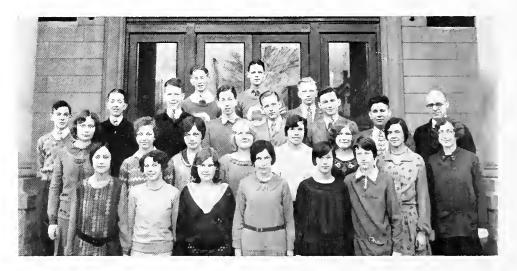

To finish up the year right, the staff held its annual banquet in the school cafeteria.

HONOR SOCIETY

The Honor Society, a local chapter of the National Honor Society of Secondary Schools, was established this year in the High School. Its members are chosen on a basis of character, scholarship, leadership, and service. Fifteen per cent of the Senior Class and five per cent of the Junior Class may be elected to membership, provided they stand in the first third of their respective classes in scholarship.

The object of this society is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Columbus High school.

The organization is under the supervision of a Faculty Council, consisting of Mr. Robert Lambert, Miss Edna Folger, Miss Maude Davis, Mrs. Lucretia Condo, and Mr. William Hennessy. Miss Folger was chosen sponsor. The meetings are held the first Wednesday of each month at four o'clock.

Each member is entitled to wear the emblem of the Honor Society, a gold key, which is recognized throughout the United States by all members of the organization.

The officers for this year are: Walter Miller, president; Vivian Glick, vice-president; Wilfred Bottorff, secretary; and Miss Edna Folger, treasurer.

SOROSIS

Sorosis, the girls' debating society of C. H. S., began its work this year with the full quota of twenty-four members. Miss Mildred Murray, who has been critic since 1924, was chosen again by the organization at the beginning of the year.

Meetings have been held on Monday and Wednesday evenings of each week. The programs have consisted of prepared discussions on topics of the day, of educational debates, and of parliamentary wrangle.

Several debates of interest have been given this year, among which were the following: Resolved: "That Military Training Should be Compulsory in all American High Schools and Colleges," which was won by the negative: Resolved: "That America Should Disarm," won by the negative; and Resolved: "That the President Should be Elected for a Single Term of Six Years," which was won by the negative also.

However, some time has been devoted to social affairs. On Hallowe'en, a party was held at the home of Mary Bottorff. The members, disgnised as witches, emperors, and goblins, attended. Again at Christmas time the society had a spread, grab bag, and theater party.

The motto of Sorosis is "Better Speech." For entrance a girl must have at least four credits, and must maintain an average of "G" or above in each subject.

At present the officers are as follows: LaVerne Fulks, president; Lois Brauer, vice-president; Harriett Milnes, secretary; Marie Kleinhaus, assistant secretary; Margaret Richman, treasurer; and Ellen Davies, sergeant-at-arms.

FORUM

One of the oldest and best-known organizations of the high school is the Forum. Its purpose is to foster interest and participation in, and knowledge of, parliamentary practice and public speaking in all its forms. Besides the programs arranged for educational and literary purposes, meetings are held occasionally for extemporaneous speeches and orations.

On March 14th, in chapel, Forum presented a one-act play, "The Empty Piccolo," by William Colter. The parts were played by very modern Romans garbed in hathrobes and appropriate costumes. In spite of its tragic conclusion, the student-body appreciated the cleverness and originality of the playwright, a student in C. H. S.

Any boy who shall have made an average grade of "G" or above in the preceding six weeks and has at least four credits, is eligible to become an active member of the organization. His character, habits, and scholastic standing are investigated by a "secret committee" which is appointed by the president. No student shall be elected to membership if there are three or more votes cast opposing his election.

A banquet was held in the high school cafeteria on January 15th. Various speeches were given and candidates for the Forum were nominated.

The officers at present are: Willis Repp, president; James DuShane, vice-president; William Colter, secretary; Floyd Simmen, treasurer; Calvin Wright, sergeant-at-arms; and Mr. William Hennessy, critic.

THE DRAMATIC CLUB

"The Play's the Thing" is the enthusiastic statement of C. H. S. students interested in dramatics. This year the club has had a membership of fifty Juniors and Seniors. Miss Marjorie Lewis is adviser of the organization. Once each month a short play and program are presented at the regular meeting.

At Thanksgiving, the Dramatic Club presented a play entitled "Do You Believe in Luck?" which concerned the mysterious loss of an opal necklace. At this time the club was assisted by high school soloists. Another play was given for the Christmas entertainment, "One Gift Above Another," which was a decided success.

On January 16 "Watch Your Step, Wilton" was presented in the high school auditorium. The play was coached by the critic, Miss Marjorie Lewis, and much credit is due her for its success. The leading roles were played by Louise Suhre and Maurice Mayes.

The receipts from the play were used to buy furniture for the stage, which included a table, floor lamp, and a wicker suite. At the February meeting pins for the club were selected and purchased by a number of the members.

The officers for this year were: Louise Suhre, president; Willis Repp, vice-president; Mary Bottorff, secretary, and Margaret Richman, treasurer.

THE SKETCH CLUB

In order that the interest and knowledge of art may be advanced in Columbus, the Sketch Club of C. H. S. assisted the Columbus Art League, of which it is a Junior member, in procuring exhibits and lectures.

The Sketch Club was organized in 1924 by Miss Lillian Volland, art instructor. The club has made much progress, as it now has an enrollment of thirty-four members. At the meetings of the club, which are held semi-monthly, the members do outdoor sketching in fair weather. In winter months the amateur artists do sketching of figures or carving and enjoy lantern slides or talks on historic art, which are given at each meeting. Much enthusiasm was created in the club this year, since it had complete charge of the art work for the 1929 "Log."

The proceeds which were realized from the play "Love-a-la-carte," which was sponsored by the Sketch Club, were used for the picture fund and also for an artists' banquet, given in May.

In April, the Sketch Club attended the convention held in Indianapolis for the Junior Clubs belonging to the Indiana Federation of Art Clubs.

During the past year the club was ably guided by Joshua Knight, president; Dorothy Lowe, vice-president; Betty Ferry, secretary; and Ethelwyn King, treasurer.

THE ORCHESTRA

One of the most active musical organizations of the school is the orchestra. Under the leadership of Miss Ida Edenburn, head of the Music department, it was organized a number of years ago to encourage the playing of classical music. Having studied music in the New England Conservatory, Northwestern University, and having taught in the Chicago Musical College, she is very a capable director for the orchestra.

With a membership of sixteen, the orchestra holds regular rehearsals from 3:35 to 4:30 on Tuesday and Thursday evenings. It has played at several of the dramatic productions of the school year, among which were, "Watch Your Step, Wilton," given by the Dramatic Club, "Love-a-la-carte," presented by the Sketch Club, and also the Senior class play, "Tweedles."

The members have taken an increased interest in their work this year, and the close co-operation between the instructor and pupils has enabled them to accomplish much in the knowledge of music. The efforts of this organization have been appreciated by the high school.

The following officers were elected at the beginning of the term: Donald Neese, president; Margaret Richman, vice-president; Pauline Loesche, secretary; Joe Bernard Schwartzkopf, treasurer; and Hugh Rynerson, librarian. They have been helpful to Miss Edenburn and instrumental in making appointments for the orchestra.

THE BAND

With brand new uniforms of blue and gold, the gift of the Kiwanis and Rotary clubs, the Band proceeded to a flying start this year. Under the leadership of Mr. Gary C. Davis, well-known Columbus director and musician, it has practised hard and improved greatly, because of regular rehearsals held from 3:35 to 4:30 on Monday and Wednesday evenings. This change in time has brought about a better attendance and an increased interest in the organization as a vital factor in the school spirit.

The Band played for some of the most important events of the school year. It furnished music for every basketball game this season played on the home floor, besides attending in uniform both the sectional and regional tournaments. It played for the Armistice Day exercises, given in Central Park, and the Kiwanis Circus. A program was given also at a luncheon of the Indiana Federation of Music Clubs, and an excellent entertainment was given in chapel exercises.

At the first of the school year the following officers were elected: Francis Taylor, assistant director and president; Joe B. Anderson, vice-president; and Morris Burns, librarian.

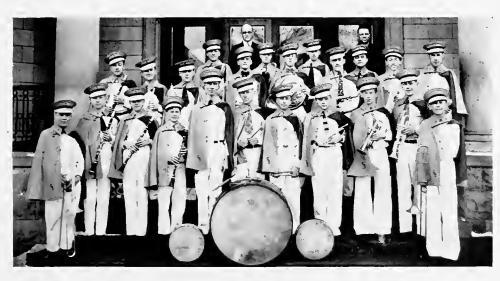

This year the boys have helped to cheer the basketball team, and have furnished the public some good, wholesome entertainment.

THE CHORUS

One of the largest outside activities of the school is the high school Chorus, which was organized this year. It now consists of sixty boys and girls who hold regular rehearsals each Monday and Wednesday evening from 4 to 4:30, for which they receive one-fourth credit.

In April, a musical comedy, "Ichabod Crane," was well portrayed by the Chorus in a very amusing manner. The musical held closely to the original story of the old-fashioned teacher, who did not believe in sparing the rod and spoiling the child. The youthful songs which were sung by the little Dutch school children, who were dressed in blue knickerbockers, long skirts and white caps, were very impressive. The leading roles were played by Walter Ferry, Clarence Gilliland, and Ella Mae Frohman. The old-fashioned costumes and surroundings added greatly to the attractiveness of the play. The soloists and choruses were accompanied by the high school orchestra.

This outstanding accomplishment was made possible by the aid of Miss Edenburn, director. Her interest and efforts have made the Chorus an organization worth while both to the school and the community.

At the first of the term the following officers were elected: Clarence Gilliland, president; Mabel Sass, vice-president; Louise Suhre, secretary; and Edna Suverkrup, treasurer. These officers have been of great assistance to Miss Edenburn, the director, and, to say the least, are worthy of their offices.

Top Row: Walter Ferry, Paul Barkhimer, Robert Behrman, Robert Chandler.

Second Row: William Doup, Clarence Gilliland, Mildred Bechelli, Betty Ferry, Electa Swank, Anna Catherine Malloy, Julanna Stepp, Vella Ritz, Ruth Carmichael, Cecil Phillips, Loren Hubbard.

P. H. C.

"Muscles, like the edge of a sword, grow dull with disuse," is the motto which P. H. C. strives to maintain. Since it is so easy to neglect the muscles and let them grow sluggish, the P. H. C. has taken upon its shoulders to create more active and athletic girls in C. H. S.

The girls' annual tennis tournament is sponsored by P. H. C., as also are all other sports. The "Kittens" were mainly backed by the P. H. C., since basketball is the most outstanding activity. The insignia of the P. H. C., which is a kitten, also serves as a mascot for the girls' basketball team, better known as the "Kittens."

The P. H. C. is the only organization in C. H. S. that has succeeded in furnishing a club-like room, where it may hold its regular meetings and social functions, and entertain visiting girls' teams. The main social functions are the Alumni Party, at which time all alumni members are delightfully entertained, and the Mothers' Day Party. Last year the mothers were entertained by a dinner given at the Snively Inn. The P. H. C. is sponsored by the physical training director, Miss Amos.

New members are chosen on a basis of sportsmanship, character, and scholastic standing and must have the unanimous vote of all the members of the club.

The present officers are: Helen Clark, president; Margaret Merritt, vice-president; Charlotte Bolte, secretary; Leona Tellman, treasurer, and Edna Suverkrup, sergeant-at-arms.

HI-Y

To create, maintain, and extend throughout the school and community high standards of Christian character, is the purpose of the Hi-Y club. Four years ago the Hi-Y was organized in Columbus, as a branch of the national organization. It at once became very popular, as befitted a society with such high ideals. This year, because of the large number of candidates, the membership limit had to be raised from twenty-four to thirty-six.

The most notable event of the year was the Guest Banquet held at the Snively Inn in February. A most interesting feature of the entertainment was a short lecture by Mr. R. J. Duke, explaining the origin and purpose of the Hi-Y. On two Wednesday mornings the organization had charge of the Convocation Exercises. On the first occasion Mr. Duke, assistant secretary of the State Y. M. C. A., gave a fine address. A short play was given the other time, and was well received by the student body.

On February 22nd the club also entered a State Bible Contest. Walter Miller attended the President Conference held at Indianapolis, in April, 1928.

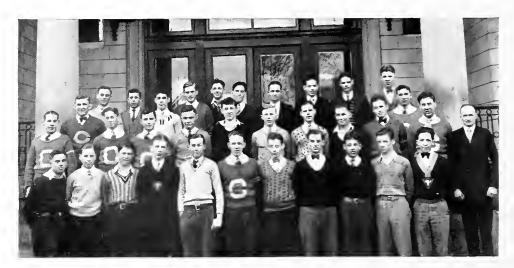

The officers of the club for this year are: Walter Miller, president; Robert Marshall, vice-president; James DuShane, treasurer; Henry Everroad, secretary; Donald Neese, sergeant-at-arms; and Mr. W. E. Grossman, sponsor.

SCIENCE CLUB

Five members from each of the science classes, under the sponsorship of Mr. Robert Newland, compose the Science Club of Columbus High School. Meetings are held each Tuesday evening in the Chemistry laboratory.

The purpose of the club is to stimulate an interest in the sciences, to increase a knowledge of practical scientific subjects, and to bring the members together in the performance of personal experiments. Programs are given consisting of discussions concerning the latest developments in scientific discoveries, and chemical experiments are performed to demonstrate the principles of science. This year Mr. Newland has given many interesting talks on his recent visit to the western part of the United States.

At Christmas time the club gave a party in the Chemistry laboratory. Many interesting and amusing gifts were obtained from the grab bag, and Mr. Newland with his piccolo and Paul Castner with his mandolin proved beyond doubt that scientists may also be musicians. Near the close of school another party was given and an excellent program arranged.

The club selected attractive pins this year, appropriate for the study of science, which were bought in silver and gold.

The officers for the first semester were: Donald Orttel, president; Earl Moorman, vice-president; Jeanne Lewellen, secretary; and Dorothy Parrish, treasurer. Second semester officers were: Earl Moorman, president; Alvin Mundt, vice-president; Paul Castner, secretary; and Jeanne Lewellen, treasurer.

THE COMMERCIAL CLUB

Cries of "Candy" and "Polar Pies" at the basketball games this year have announced the activity of the Commercial Club. Although it was formed just this year the club has proved to be a success both in educational and financial value.

The organization has had many interesting programs at its regular meetings, which are held one Thursday evening of each month. At one time a play was presented entitled, "Little Trailers of Errors," which emphasized the admirable qualities to be found in a good stenographer. Miss Beatrice Crowe gave a talk including incidents of interest occurring on a trip in the East, and various special numbers have been given by the members. A party was given in room 303 on April 3.

At the formation of the club, a constitution was drawn up which presented the requirements for members and other such details essential to the welfare of every organization. The purpose of the club is to further the knowledge of business transactions by actual contact with the business world by the selling of candy at the basketball games. Miss Beatrice Crowe and Miss Kathryn Hofer, teachers in the commercial department, are the advisers.

The club voted to donate a sum of money to the Columbus Foundation for Youth. Pins in the form of tiny silver shields were selected the latter part of the year.

The officers for this semester were: Helen Clark, president; Mary Wright, vice-president; Olive Wright, secretary; and Mary Ritz, treasurer.

COACH FRANK C. NEWSOM

Leading another fighting basketball team through a vigorous and successful schedule, Coach Frank Newsom finished his second year of varsity basketball coaching. Mr. Newsom has a habit of molding basketball teams, even as, when a second team coach, his teams were of the highest type. The record made by the varsity this year is better than that made by the team in the 1927-28 season. After winning seventeen of the twenty scheduled games, the "Bull Dogs" were victorious in the sectional and regional tournaments and were eliminated only in the quarter-finals of the state tournament by the team which won the title. With all the regulars returning next year but one, who is lost by graduation, the "Bull Dogs" are looking forward confidently to the 1929-30 season. Mr. Newsom also coached an undefeated second team, which finished its schedule with twenty consecutive victories. A swimming team instructed by Mr. Newsom placed second in the state swimming meet held in the local pool April 27, 1928.

COACH WILKIE O. MOODY

Coach Wilkie O. Moody, football and basketball mentor, has successfully completed his second year at Columbus High School. Mr. Moody has been assistant director in Physical Education for the past two years. He has also been instrumental in organizing a Foundation for Youth, and a number of Boy Scout Troops in The football team of 1929 did not have Columbus. a brilliant season, although it has been pointed out over the state as a team that fought hard and cleanly even though against insurmountable odds. The outlook for a "championship" eleven next year is not very bright, as seven of the regulars are lost by graduation. However, with the organization of a Freshman team under the leadership of Mr. William Hennessy, more and better material will be available than in the past. The baseball team developed into one of the strongest nines in the state, with Mr. Moody as its coach.

The three defeats suf

VARSITY BASKET-BALL TEAM

Three defeats out of twenty scheduled games is indeed a record of which to be proud. The fast driving offensive power of the team was shown in the fact that the Bull Dogs averaged fifty-four points to their opponents' thirty-four for each game in the season. Through this scoring ability, developed by the able coach, Frank C. Newsom, the Columbus quintet gained a high place among the hardwood ball dribblers in Indiana. The three defeats suffered by the local team were at the hands of outstanding teams in the state.

The Newsom men opened the season by scoring decisive victories over such strong teams as Vincennes, Connersville, Greensburg, Seymour, Bloomington, Rushville, and Franklin. The first defeat of the season was administered by the highly touted Bedford five. The "Bull Dogs" came out of this fray with a stinging

fifty-six to thirty-nine points' defeat. The Columbus team's inability to hit the basket seemed to be the cause of the defeat, although their floor work was excellent. After this defeat the fighting "Bull Dogs" retaliated with victories over Shelbyville, New Albany, Brazil, Connersville, Vinceunes, Franklin, and Greensburg.

The team met its second defeat at the hands of the Frankfort ball dribblers by a small margin of two points, twenty-eight to twenty-six.

The Casemen were picked by many basketball critics to annex the state title, which they later did. The almost impregnable defense of the Frankforters had crushed the leading teams in the state. The game was not decided until the final gun: and then the "Bull Dogs," as they proved themselves rightly named, happened to be at the short end of the score. The team then "stepped on the gas," and defeated the Shelbyville and Shortridge High School basketball squads.

With a decidedly altered lineup, on account of illness, the lads invaded the Newcastle stronghold in the last game on the schedule and were repulsed, thirty to nineteen, for their third defeat of the season. Eddy, although he had practiced only once in two weeks, started the game at forward. "Dutch" Fehring, regular center, was unable to play; Schaeffer, regular backguard, played but a few minutes, because of a boil that had been bothering him; Beck, regular floorguard, went to backguard despite a back injury received the week before.

A flashy brand of basketball was displayed to win the Sectional at Shelbyville and the Regional at Columbus.

At the state finals in Indianapolis, the team met Logansport in its first game. After playing listless ball for the first half, the fighting "Bull Dogs" in the second half soon overcame the two point lead and submerged the Loganberries with baskets. The final score was thirty-two to twenty.

In the quarter finals the locals were again defeated by Frankfort, but only by "championship ball." Columbus, with a driving offense, soon forged ahead, but was unable to maintain this lead against the powerful offense, which later won for the Casemen the State Championship.

Captain Ray Eddy was given a forward berth on the all-state team, while Fehring, Beck, and Schaeffer were given places on the all-state-tournament teams. Michael, Everroad and Bottorff, who are seniors, gave the regulars a hard fight for their positions.

With an undefeated second team and only three members of the varsity missing, the students and fans are backing Coach Frank C. Newsom in his task of molding another successful team next year.

FOOTBALL

At the beginning of the 1928 football season Coach Wilkie O. Moody issued a call for football candidates, and about forty men answered it. However, with a nucleus of only seven letter men around which to mold a team, Mr. Moody had indeed a difficult task.

Judging from the survey of the games lost and won, the football team of '28 was not very successful; but from the standpoint of the players, coach, and school, it was a moral success. In spite of the fact that it lost all but one game, the defeats were administered by the outstanding teams in the state.

The members of the team practised to the best of their ability during all kinds of weather. They played a clean game and fought heroically until the final gun, even though the odds were against them.

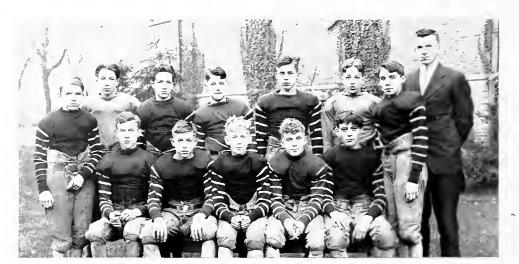

The season opened on the Columbus gridiron against Connersville. The Spartans scored touchdowns in the first and third quarters, while the Columbus team came near scoring twice, once when the ball was within eight yards of the goal line. A fifteen yard penalty dispelled the Bull Dog's hope. In the last quarter a drive down the field was stopped by the final gun with the ball on the four-yard line. The final score was Connersville 12—Columbus 0.

The second game was played on the home field with Rushville. The Columbus team, being unable to cope with the size and passing ability of the Rushville team, came out of the fray with a 19-0 defeat.

The following week the Columbus team played its first game away from home, with the highly touted Cathedral High School Eleven. In the first half the Cathedral team pushed over four touchdowns. Cathedral used the Notre Dame shift which completely baffled the Columbus defense.

Page Eighty-Two

At the beginning of the second half the Columbus team made a drive goalward which netted a touchdown. The Catholic team was able to score only one more touchdown. The final score was 31 to 6. Cathedral was without doubt the strongest team on the Columbus schedule.

Greenfield administered the fourth defeat to Coach Moody's aggregation on the home field, with a score of 20 to 0. Columbus was within scoring distance many times, but did not have the final punch which it

takes to carry the pigskin over for a touchdown.

The Columbus-Seymour game resulted in a 12-12 tie, after a hectic battle under unconceivable conditions due to the muddiness of the field. Both teams played a slow, line-plunging game. The Blue and White carried the ball over for a point after touchdown, but this was not counted by the officials.

The local team received the worst drubbing of the season at the hands of the Shelbyville High School team. Shelby scored fifty-seven points, while the Moody men were held scoreless. Because of the absence of three regular backfield men the Blue and White gridders were unable to get organized, although they fought hard.

Again defeat followed the C. H. S. team, and they lost to the New

Albany eleven, the conquerors of Cathedral, by a score of 27-0.

The C. H. S. team again met defeat in the final game of the season before the Bloomfield ball-toters. Bloomfield carried the pigskin over the goal line four times in the first half, by precise execution of passes and fake plays. During the last half Columbus completely outplayed the Bloomfield varsity, fighting over for a touchdown in the last quarter, and, at the same time, holding their opponents scoreless.

ROBERT CHANDLER

Columbus High School has been very fortunate in acquiring the services of the diminutive yell leader, Robert Chandler. Since a well-balanced yell squad is essential to a team's success, Bob had the task of developing a yell leader who could fill the vacancy left by the graduation of the former cheer leader.

When an extra amount of pep and fight was ueeded, "Runt" was always on the firing line with an encouraging yell for the team. Much credit goes to Bobbie for his keen sense of sportsmanship which has been displayed during the games in the past season.

Bob has one more year in which to inspire the fans by his pep.

WILLIAM BURNS

At the beginning of the school year, William Burns, better known as "Wash Tubbs" was chosen as assistant yell leader through a popular vote by the student body, and he has certainly filled this position extremely well. This was "Washie's" first experience in this position, but by his willingness to work and loyalty to C. H. S. he developed into a peppy yell leader.

As both Bill and Bob were nearly the same size, they made a decidedly interesting pair in their attempt to inspire the fans with enthusiasm.

Bill is only a Sophomore and with the co-operation of Chandler great things are predicted for the school year of 1929-30.

Page Eighty-Seven

BASEBALL

Coach Moody has finished his second year as baseball coach in a creditable manner. Mr. Moody had a task last year of placing a team on the diamond which would uphold the fine records made by the past high school nines. He succeeded in this to a certain degree, as the team won four of the eight scheduled games. After losing to Shelbyville and Seymour, the Blue and White came back later in the season to win from these two teams by decisive scores. The other two games were lost to the Cathedral nine of Indianapolis. The Moody men also held two victories over Edinburg. Coach Moody altered the lineup in many games in order to give some of the promising underclassmen experience. By this plan Columbus will be assured a winning team in 1929. Only three members of the team were lost by graduation.

This year, having a veteran team with which to increase the fundamentals of teamwork, Mr. Moody developed a leading contender for high school baseball honors. Coach Moody has sent the nine through a series of hard work-outs daily. By this rigorous training the team was in perfect condition for the opening of the schedule.

The line-up for this season consisted of Robert Collier, on the mound: Paul Fehring, behind the bat; Ray Eddy, Wilfred Bottorff, Henry Everroad, and Cecil Phillips, in the field; and Herman Trautman, Robert Holland and William Crooks in the outfield.

Top Row: Floyd Haislup, Ralph Huntington, Dale Muir, Paul Febring, Ray Eddy, Coach W. O. Moody.

Bottom Row: Herman Trautman, Wilfred Bottorff, Cecil Phillips, Henry Everroad, Robert Collier, Robert Holland.

KITTENS

With their backs up and all their claws out, the "Kittens" won an easy victory from Clifford, 48-13, but the North Vernon sextet administered two defeats to the local girls, each time with a score of 33-14.

The next contest against the "Black Diamonds" of Scipio was interesting and exciting. The "Kittens" fought bitterly, because a victory over the "Black Diamonds," who thrice defeated North Vernon this year, would more than redeem their two previous defeats. As the final gnn sounded the score was tied, 16-16, but the Kittens' followers felt that they had won the greater victory, since Scipio had previously defeated North Vernon.

In the last game with Paris Crossing, the "Kittens" proved too scrappy for the visitors and claimed another victory, 18-9.

Pansy proved very capable in the center and was a terror to any opposing team. Cora Nelle usually gained the tip-off for her team, while Adelaide, in spite of her size, was a fast and scrappy player with plenty of pep. Whenever Charlotte got into the game, there was bound to be a fight. Garnet was a sturdy and fast guard and always kept her opponents on edge. Louise and Mary made an almost perfect team as guards, and succeeded in holding their forwards down. The two forwards, Margaret and Mabel, were two distinctive types, but with single ability of putting the ball through the iron hoops. Because of illness Elsie was forced to withdraw from playing. Marie was a valuable reserve with ability to make baskets.

The loss of several members who will graduate will be greatly felt. These are: Garnet Lane, Mary Knight, Lonise Suhre and Mabel Sass.

Much credit for the success of the team is due to Miss Amos, who encouraged the girls on to victory.

Top Row: Marie Niemoeller, Adelaide Baker, Margaret Merritt, Mabel Sass, Miss LaFern Amos, Louise Suhre, Helen Suverkrup, Charlotte Bolte.

Bottom Row: Pansy Bradley, Mary Knight, Cora Nelle Summa, Elsie Santisteban.

Top Row: Eugene Hupp, Millard Bass, Robert Marshall, Warren Brougher, James Hawes. Bottom Roic: Ernest Russell, Calvin Wright, James DuShane, Marion Toliver.

THE BOYS' AND GIRLS' SWIMMING TEAMS

The swimming team again gathered new laurels in its bid for state tank honors. The state meet was held April 27, 1928 in the C. H. S. pool, in which the local swimming representatives were forced to compete against the outstanding high school swimmers in Indiana. The feature of this meet was the lowering of five state high school records. Although the team did not win the state championship, they were defeated by a scant margin of only four points.

The girls' team, under the training of Miss Amos, won the girls' state

championship last year.

Mr. Newsom arranged two dual meets with the strong Cathedral squad of Indianapolis. Cathedral won the first meet by a score of 32-27. In the 40 yard free-style, the time was lowered one second, making the state record nineteen and one-fifth seconds.

THE JUNIOR-SENIOR RECEPTION

On the night of May twenty-second, the gymnasium was transformed into a formal garden in honor of the Seniors who were to graduate. Trellises and cherry blossoms around the side, with garden swings and wicker chairs; in the center an illuminated fountain banked with flowers; and overhead, an arbor effect made from green and white crepe paper, cherry blossoms, and Japanese lanterns—this was the auditorium and stage setting for the outstanding social event of the year.

After the Junior president, Wilfred Bottorff, had welcomed the Senior guests, and William Sharp, president of the Senior Class, had made response, a very enjoyable program was given. An orchestra, under the direction of Robert Cook, was one of the main features of the evening. After the grand promenade at the close of the entertainment, dainty refreshments were served by girls dressed in black dresses and white aprons and caps.

The success of the reception was due in large part to the committees which arranged the features of the evening. The refreshment committee was composed of Walter Miller, Rosanna Smith, Mabel Sass, and James Hofer; the decoration committee consisted of Jeanne Lewellen, James DuShane, Charles Butler, and Vivian Glick; those who composed the program committee were Maurice Mayes, Louise Suhre, Henry Everroad, and Harriett Milnes. Miss Edna Folger, a member of the faculty, supervised the plans and arrangements of the committees.

INDUSTRIAL DEPARTMENT

In order that the students of C. H. S. may receive training in the industrial arts, the management has improved and enlarged the facilities and teaching for practical work. Mr. Wendel's classes in cabinet making have made book-cases and tables to be used for the Foundation for Youth. This class has also built two garages, one for Mr. Sublette, a teacher in high school, the other for Mr. Frank Cummins, a well-known business man of the community.

The project of Mr. Jackson's classes was the construction of an airplane engine and of a motor boat engine. The agriculture classes have planted a number of crops and obtained experience in practical farming.

For those students who wish to major in practical work, a course of study has been arranged by which they can devote their entire time to this practice; after the required number of hours in industrial work, upon the recommendation of the teacher they may receive a mechanic's certificate. Many students have taken advantage of this opportunity, obtaining qualifications fitting them for reliable positions in a shop or factory.

The night school classe: have been unusually large this year and have completed some excellent work, which has been on display.

Courses were offered in machine shop, auto mechanics, and cabinet shop. Many women and girls also enrolled in the art, millinery and basketry departments. At the close of the night school sessions an exhibition was held in the high school building.

"Boast Not Thyself of Tomorrow"

M AN by nature is a boaster—you know it. If he does not talk about it, he feels it.

The strong husky fellow thinks he can't be ill; lose his job or grow old. It does not matter what happens to his friends, he, so he thinks, is more careful; he knows better, and has a longer head on him than the others.

Every man ought to look ahead and while he is earning money, to be regularly putting some of it away each week in the bank.

Do you know that the very fact that you have a bank account and add to it regularly makes you more careful, thoughtful and wise?

PUBLICATIONS

The Triangle is a pseudo-intelligent publication foisted upon the unsuspecting campus every week during the school year. The thing is sponsored by heavens knows whom and any other students who are willing to accept the risks involved. All contributions are gratefully received and printed with black ink. Cartoons are looked upon with suspicion by the editors.

The Triangle has been able to maintain the well-known average of one out of five suppressed. The issues are generally beyond reproach but sometimes apparently not far beyond it. A faculty censorship suggested early in the year was abandoned because it provided the faculty members literary delights denied to the students.

The plans of the pernicious publication for next year include the endowment of a fund to provide ex-editors with railroad fare out of the state and expenses in some other high school.
